

Oil minister dials UAE for affordable oil prices

PRESS TRUST OF INDIA
New Delhi, July 14

AS FUEL PRICES climbed to a record high, India's new petroleum minister Hardeep Singh Puri has started dialling oil-producing nations to impress upon them for a need to make prices affordable for consumers.

Puri, who last week called energy minister of Qatar, on Wednesday dialled his counterpart in the UAE, Sultan Ahmed Al Jaber.

"Conveyed my desire to work

closely with UAE and other friendly countries to bring a sense of calm, predictability and realism among other suppliers in the energy market to make it more affordable for consumers," Puri tweeted. The rebound in international oil prices from lows hit in May on the back of demand recovery has sent petrol and diesel rates to a record high in India.

Petrol has crossed the ₹100-a-litre mark in more than one and a half dozen states and union territories, while diesel is being sold at over ₹100 a litre in

Rajasthan and Odisha.

"Had a warm courtesy call with HE Dr. Sultan Ahmed Al Jaber, UAE Minister of Industry and Advanced Technology and MD & Group CEO of @Adnoc-Group. Discussed ways and means to invigorate the vibrant bilateral strategic energy partnership between India and UAE," Puri said.

India has long pressed producers' cartel Opec and its allies, called Opec+, to phase out its production cuts and allow oil prices to come to reasonable levels.

Health minister says 13.50 cr vaccine doses to be supplied in July

UNION HEALTH MINISTER Mansukh Mandaviya on Wednesday said state governments and private hospitals would receive a total of 13.50 crore Covid-19 vaccine doses in July. The total June supplies were 11.46 doses.

The government started pro-

urement and supplies as per the new vaccine policy on June 21 when it administered 91.74 lakh doses but since then supplies have been fluctuating.

The highest doses administered since then was 65.94 lakh doses on June 26 and the lowest was 12.83 lakh doses adminis-

tered on July 11.

On Tuesday, 37.08 lakh doses were administered while on Wednesday, till late evening total vaccination administered had reached at 32.68 lakh doses.

The health minister tweeted that states were given an advance intimation about vaccine

supplies and they had a clear picture of what to expect and plan accordingly.

He blamed the state governments for mismanagement and held them responsible for queues outside vaccination centres.

The state governments have been complaining of vaccine

shortages and have been shutting down vaccination centres for want of vaccines.

Total vaccination in the country reached 38.60 crore doses out of which 33.79 crore was Covishield and 4.78 crore was Covaxin.
